

Team Registration

Registering a team is a separate process than registering individual competitors. In registering teams, the complete team is registered under a single person, (the coach), and the total fee for the complete team is collected at the time of registration. Please do not register partial or incomplete teams.

1. From you're **My Account** page click the **Register Now** link for the selected tournament to display the registration process.
 - a. **Check the box** "I want to register for a team event".
 - b. **Select a person** from your account to act as the coach or team leader. This person will be the point person the team is registered under and is used as a single point of contact for the team. Preferably the "coach" is an adult or responsible person. This person can also be one of the team members.
 - c. **Click Next Step**
